Everyone's Ready For The Cotillion - A - Go - Go

The first big social event of the spring season, the Cotillion-A-Go-Go is coming up Saturday, April 16, at Lorenz's Smart Country House.

The Cotillion-A-Go-Go is the benefit ball sponsored by the Antioch Woman's Club. Proceeds of the ball will go to help support the Lake County Mental Health Society.

The ball starts at 9 p.m., with music for dancing supplied by the Million-Aires.

"Red" Gem, a local music instructor, is leader of the group.

Mrs. Robert Lubkeman, chairman of arrangements for the ball, says the tickets are going well.

A buffet supper will be served at midnight.

The annual Mental Health Ball helps to support the work of the Lake County Mental Health Society. The Mental Health Clinic is one of the services supported by the Society.

The Mental Health Clinic serves both children and adults in Lake County. The Clinic provides diagnostic services, treatment, rehabilitation, consultative service and educational service for residents of the area.

Fees for Clinic services are based on ability to pay. Patients may be referred by a doctor, school or court, but all that is necessary is the referral of the patient, or in the case of a child, a parent.

Police Find Stolen Car

Antioch police recovered a stolen car Monday night about an hour and a half after the car was taken.

The stolen car belonged to Keith McAllister, Camp Lake, Wis. It was taken at about 6 p.m. At about 7:30 p.m., an Oakwood Knolls resident called police to say the car was blocking the road.

The car was left in front of 254 Bridgwood Drive. It was a 1959 4 door green Nash Rambler.

The car was abandoned. Police are working on the theft.

Grand Old Lady Of Teaching Dies At 98

Miss Alice Smith, one of the grand old ladies of the teaching profession, died Tuesday, April 12, at the age of 98.

Miss Smith, 333 Ida Ave., Antioch, taught in Lake County schools for 45 years before retiring in 1940. At the time of her retirement, she had been teaching in the Antioch Township High School for 21 years. A tribute was paid to her at that

time at the graduation of the class of 1940.

Miss Smith was born in Hanburgh, New York, January 29, 1868. Her family moved to Ivanhoe, Illinois, while Miss Smith was a child, and she attended school in that area.

She began teaching in the country schools around Ivanhoe at the age of 15. Sixteen was the minimum age for teaching at that time, but because Miss Smith's birthday came in January she was allowed to teach.

Miss Smith took a short recess in her teaching career to attend Valparaiso University. She had earned her degree in 1890, and with graduation only a short time away, she received a letter from the Lake County Superintendent of Schools offering her a position teaching the fourth grade at Central School in Waukegan. She left school to take the position, and for

Concert Benefits Scholarship Fund

The Hough Vocalaires will present a spring musical at Antioch High School Friday, April 15, for the benefit of the Antioch High School Scholarship Fund.

The musical, "Speaking of Spring," is being sponsored by the Antioch High School PTA. The curtain will go up at 8 p.m.

The Vocalaires, under the direction of Arthur Quinn, will present such numbers as "Yes, Indeed," "I Hear Music" and "Battle Hymn of the Republic."

Appearing with the Vocalaires will be the Martin Sisters of Lake Villa, The Uncalled Four, The Misty Cry-

stals and the Art Quinn Instrumental Quartet. Soloists will be Pat Reilly of Rosemont, Helen Irvin of Elmhurst, Sally Larsen of Chicago, Bob Glenn of Oak Park and Phyllis Wilson of Libertyville.

The Vocalaires is a 45-voice group and four instrumentalists representing over 15 communities from both Lake and Cook counties. As a non-profit musical organization the Vocalaires has raised over \$30,000 for area organizations. They are at present in the process of building a concert area and bandshell in Libertyville with the help of various firms, businesses and civic organizations.

Need Adults For A. F. S. Program

"Come one, come all" are the words of president Mrs. Robert Cross as she announced the date of the next meeting of the American Field Service (A.F.S.). It will be held at Antioch Community High School on Monday, April 18, at 8:00 p.m.

As announced last week, the interest of more adults is necessary before a foreign exchange student can come to the community for the next school year. The students of

ACHS are anxious to do their part, but the adults of the community must sponsor them.

At the April 18 meeting, a nominating committee will present a slate of officers to be voted upon. Mr. and Mrs. Robert Cross were appointed at the last meeting to be president and vice president. There are seven more posts remaining on the board.

A home for the student must be chosen in the very near future and anyone at all interested in making a home for a boy or girl should be at the meeting or submit their name to Mrs. Cross at 395-4427.

It is the hope of the organization that in the years to come an ACHS student may be able to take advantage of this program and spend a year abroad. If you can't offer your home, at least offer your support and interest.

Strike Halts Road Work

Work on Lake Ave. at Channel Lake will be delayed by the strike of the International Union of Operating Engineers.

The strike affects all state, county, and municipal projects in northeast Illinois that are contracted to individual contractors.

The strike was called Monday morning by Local 150, International Union of Operating Engineers (AFL-CIO). The dispute concerns wages and work rules.

The union is reportedly asking for \$1.65 an hour in wage and fringe benefits spread over a four-year contract, plus changes in work rules.

Rescue Squad Calls Made Last Week

The Antioch Rescue Squad took Nick Ganzer, 23, of Channel Lake to Victory Memorial Hospital Monday, April 11. Nick's leg had been injured.

Eugene Traves, 39, of Rt. 1, Box 412, Antioch, was taken to Victory Memorial Hospital April 10 after suffering a heart attack.

Elsie Hughes, 74, of 1045 Osmond, was taken to the Clinic April 6 by the squad. Herman Keisler, 78, of Twin Lakes was aided by the squad April 6.

Sister of Mrs. Pickus Dies

Mrs. B. Goldfarb, Chicago, sister of Mrs. Morris Pickus of Antioch, died Easter Sunday.

Funeral services were held Tuesday, April 12. Because of the holidays there was no visitation.

Set Date For Bar-B-Q, Queen Contest

If summer comes, can the Lions Club Chicken Bar-B-Q and the Jaycees Beauty Contest be far behind?

You'll have to wait until August 7 to sample the Lions superb barbecued chickens, and find out who's the fairest of the fair in Antioch. That's

the date the two organizations have set for their cooperative festivities.

The Picnic and Beauty Contest, and all the other activities that accompany this annual family day, will again be held at the grounds near the Antioch Pool.

Light Vote Cast In School Elections

Voting in Saturday's election of school board members was light, in spite of a six-man race for two seats on the Antioch Grade School board.

Charles Mapletorpe and Miss Mildred LaPlant won the two seats on the Grade School Board. Mapletorpe led the six candidates with a total of 166 votes, Miss LaPlant was next with 85 votes. Others

were Harold Knutsen, 74; John A. Fries, 73; Raymond L. Enzenbacher, 57, and Arland Clark, 10.

At Antioch Community High School there was no contest. The two incumbents were re-elected, with Robert Denman receiving 200 votes and John Blackman 203. Superintendent Albert Dittman remarked that the 210 votes

cast were a light vote. About 500 votes might be expected normally.

At Emmons School, chosen by caucus, George Hall replaced William P. Hansen.

At Grass Lake School, Donald Brown and incumbent Robert Hart were elected. Charlotte Queen, incumbent, was defeated. Brown received 50 votes, Hart 38 votes and Mrs. Queen 27.

Form Group To Gather History Of Antioch

The history of a town, the story of the people and events that combined to produce what we see today, is often lost in the mists of time. People died, records are lost or discarded, pictures thrown away, then comes a day when someone needs or wants to know details of some event of the past. How do you find out?

Various phases of Antioch's history have been deviled into

at different times, with varying degrees of success. Each day, as the town grows and people's memory fades, the task grows more difficult.

Dave Nissen and Clarence Shultis have finally decided to try to do something about it. And they're appealing to anyone who has data, pictures or interest in the subject to try to help them in forming a

collection and history of Antioch.

Both men have sizeable collections of pictures, etc., which help to pinpoint certain phases of the town's growth. But more data of many kinds is needed to fill in the gaps.

They're sure that there are many people in town who have similar invaluable memorabilia. Put it all together, and they hope to amass a more precise record of the town up to the present date.

They're asking anyone interested to contact them, and they'll set up a meeting date for all those interested to meet and try to find a way to pool their knowledge. They hope to find a place where all the photos, etc. of earlier days can be kept and catalogued.

If you're interested or have anything to contribute, contact Clarence at the Village Hall, 395-1000, or Dave at 395-0948.

Laws Preserve Freedom Says Local Attorney

By Ted C. Larson

Member of the Lake County Bar, Assn. Law Day U.S.A. Committee

In order to appreciate the significance of Law Day, which is proclaimed by the President of the United States for May 1, 1966, I would like in a few words to explain the general aspects of the day. On this day we celebrate:

- a) Freedom
- b) Individual dignity
- c) Inviolability of property
- d) Sanctity of life

All stem from equality and are part of the concept of justice under law. Because the law vindicates your equality, it does justice. It is the equal protection of the Laws. No matter what your wealth, how good your clothes are, how skillful you are, before the law in our society we are all equal. It partakes of the idea of being waited on in turn in your local grocery.

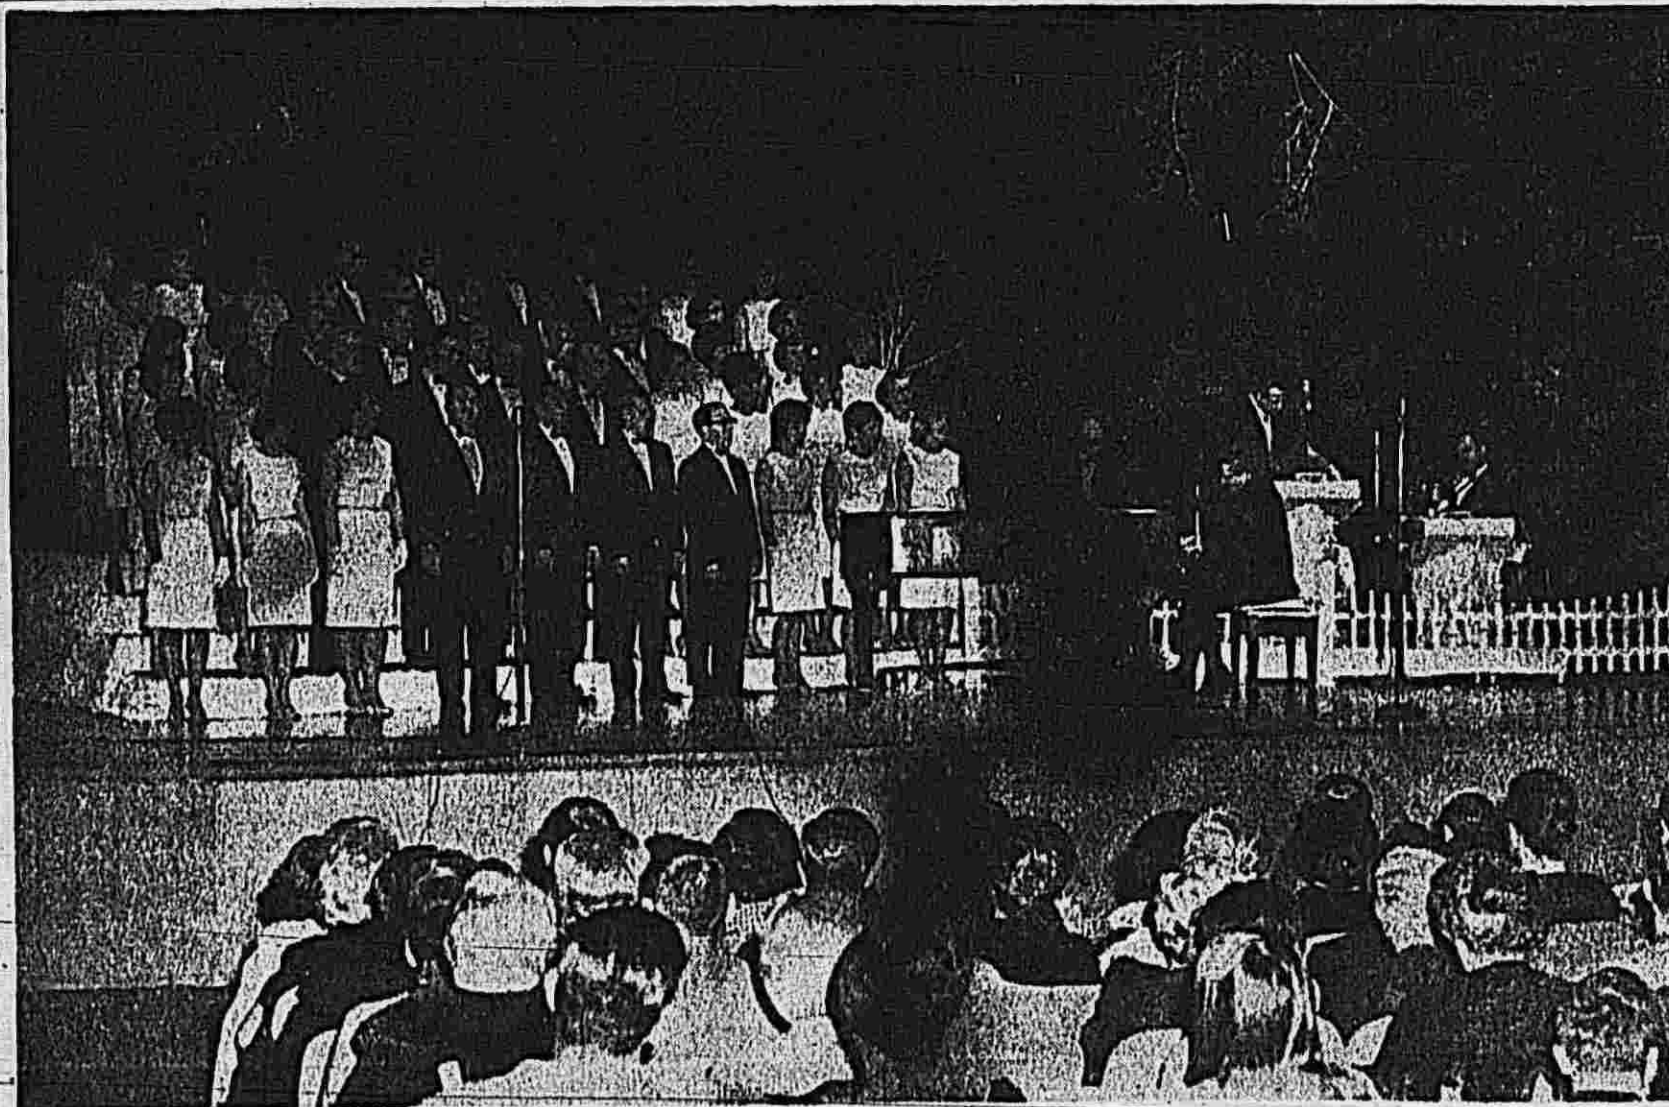

Law saves us from tyranny and chaos, and to secure our rights governments are instituted among men, deriving their powers from the consent of the governed.

"Constitutional freedom" wrote Emanuel Kant, is "the right of every citizen to have to obey no other than that to which he has given his consent or approval."

If we are to have the advantage of living in an orderly society, either we establish rule by law or we submit to the arbitrary will of another, which is tyranny or slavery.

Laws tell people how to act, so they can get along and be nice to each other. Find a law that doesn't do this, and you've found a bad law. But there aren't many, and they don't last. Whatever the international situation, we will have domestic peace if we observe the law.

Please reflect a little on May 1st, 1966, Law Day U.S.A. and thank your Maker for the privilege of living in the United States of America.

The Hough Vocalaires and the Art Quinn Instrumental Quartet will appear at Antioch High School Friday night for the benefit of the Antioch High School PTA.

Every Litter Bit Costs Money

Clean-up crews are busy giving Illinois state highways their spring cleaning. Francis S. Lorenz, director of the Ill. Dept. of Public Works and Buildings, says that 3,500 men, 1,200 trucks and other equipment will be busy at this job during April.

The cleanup crews expect to remove about 22,000 tons of debris such as beer cans, soda bottles and picnic supplies from highway property. This averages about a ton and a half a mile.

Highway maintenance engineers figure that picking up a discarded beer bottle or other separate items that are discarded along our highways cost 60 cents an item. Sounds pretty expensive, doesn't it?

Announcement of the spring cleaning job comes at a time when state roads, and the road shoulders, are in deplorable condition in many areas. There's been impressive evidence that some fatal accidents can be blamed at least in part on the bad highways. And the state declares that funds for all this needed work are simply not available.

We have no idea what the total cost of this spring clean-up job will be. If it costs 60 cents to pick up a beer can, the cost of picking up 22,000 tons of such items must be rather staggering. It could well do a lot of needed road repairing.

So the next time you go to toss a cigarette package out of the car window, or dispose of an unwanted pop bottle in like manner, remember it's going to cost you 60c to have it picked up. And if you notice a dangerous drop-off at the pavement's edge at the same time, stay your litter-bugging hand. Wait till you get home, and drop it in the garbage can. You'll have better roads in the future if you dispose of your trash at home.

Courthouse Notebook

The first serious test of the solidarity that was to emanate from the recent Republican endorsement congress will be made on Wednesday, April 20, at Berned's Resort, Lake Marie, where the Antioch Township Republican Club will convene.

Purpose of the meeting is to settle on the club's endorsement of candidates and there is nothing in the rule book that says they must endorse the same candidates on whom the Republican precinct committee hung their mantle of approval.

It would, in fact, be surprising if the Antioch Club came out in full agreement with the choices made by the committee at their convention.

If the Antioch GOP group settles on candidates other than those endorsed by the central committee they could launch a revolt among Republican voters that could make the official endorsement a real millstone around the neck of the approved candidates.

All county-wide candidates have been invited as well as the legislative candidates who are running in the Antioch area.

Since the Antioch club has long had a reputation for rough and ready politics the session bids fair to be more exciting than the cut and dried nominating convention conducted by Central Committee Chairman Robert J. Milton.

Spring flowers may be a little late arriving this year, but the countryside is breaking forth into a wild palette of colors created by the signs blossoming out for the various candidates.

Not surprisingly, the sheriff's race in the Republican primary is bringing out most of the signs, but here and there a billboard is noticed for one of the other candidates.

Coroner Orville (Pat) Clavey was given considerable

credit for the successful pre-convention efforts of Sheriff's Captain Harold Scheskie, who walked off with the party endorsement.

However, his aggressive tactics and his insistence that the sheriff's office had nothing to do with his winning nomination for the Coroner's office two years ago are winning him few new friends and could undo all the fine work that was accomplished prior to the endorsements.

In two short years Clavey has managed to become one of the county's most controversial officials and the status of his popularity in June could have a big effect on the sheriff's race because of his close ties with Scheskie.

The Democrats in Lake County declined to endorse candidates in this year's primary, but there is little mystery about the feelings of the party officials in the legislative races at least.

In the southern Lake County district incumbents Howard Slater and Dan Pierce are getting the big support from the party organization as they bid for re-election as State Representatives.

In the northern district incumbent William Hartnett and North Chicago Police Chief John Matijevich are the party favorites.

This leaves John Balen, of Waukegan, in a not unfamiliar position of running against the party bosses, but the former county board member enjoys a scrap and can be

Many people are critical of the so-called "peace demonstrations." I am, too. But in all fairness, it seems to me that we should note how recent Great Society legislation tends to encourage the demonstrators.

Prominent among pictures I've seen of demonstrations on TV and in the papers are young men of draft age. Are they not encouraged to protest the war effort when we pay Job Corps youth almost twice what soldiers get?

Representative John Dowdy (D-Ill.) says, "A United States soldier (Grade E-1) fighting in Vietnam is paid \$149 per month; the United States poverty program pays \$240 per month to school dropouts who are enrolled in the Job Corps."

Other differences also favor the latter. If Job Corpsmen don't like the way they are treated, they are given a ticket to home. They were given a free trip home for Christmas. They get free legal help when they get in trouble with the law, etc.

Wouldn't men in the Armed Forces like all that? Yet men in Vietnam face death from any direction 24 hours a day. About the worst that can happen to a Job Corps youth is to get crossways with some political hack who is his superior.

Today's young people are not dumb. They can think. And it doesn't take much to figure out that Congress has, intentionally or not, downgraded the Armed Forces in favor of the war on poverty.

No, you cannot buy patriotism. And money alone will not make a good soldier out of a poor one. But if we expect our young men to show any enthusiasm for service in time of war, our legislators should encourage them by the bills they pass. If we believe in "equal pay for equal work" we should pay our fighting men at least five times MORE than the poverty warriors. Instead of only two-thirds as much. In short, why should not our young men demonstrate against military action when our lawmakers seem to think fighting the war on poverty is so much more important than fighting the Reds?

expected to provide some excitement during the campaign.

The post-Lenten season always brings out a rash of big affairs and this year is no exception.

Saturday night those planning a night out will be faced with a difficult choice between the big Cotillion A-Go-Go sponsored by the Mental Health Society at Lorenz's Country House in Antioch, and the Viet Nam-Mom Airlift Benefit Show at Waukegan High School's West Campus.

It is unfortunate there must be a conflict on dates for two such fine offerings, but apparently there aren't enough open weekends in the year to get all the parties and affairs on the calendar unopposed.

Those who want to participate will probably cut a rug at the Cotillion A-Go-Go while those who prefer to sit back and be entertained will find the big variety show at Waukegan their special cup of tea.

SPECIAL RATES FOR PRIVATE BANQUETS

Bowlers, straighten up, throw out your chests and look smug. After years of having absolutely no standing as a status symbol, Lady Bird Johnson may have given the sport some snob appeal.

Golfers, skiers and devotees of other "exclusive" sports have long sneered at the sport of millions. Bowlers may now take their turn at sneering. The First Lady of the Land, no less, now has her own bowling ball (red and shoes, and bowls, frequently on the private alleys at the White House.

Needless to say, Mrs. Johnson doesn't have time to belong to a league. However, she bowls three or four times a week.

PEACE AT ANY PRICE

A group opposed to the Viet-Nam war have decided to publicize their opposition by refusing to pay income tax. Almost makes you wish you were a member of the anti-war movement, doesn't it? Something tells me they will eventually pay the tax anyway, even as you and I.

THE OTHER SIDE OF THE COIN

Guess who gives the most blood for servicemen fighting in Viet Nam? College students, says the American Red Cross.

Northern Illinois University students are at present recruiting over 1,000 blood donors for a "bleed-in" April 25 and 26. The NIU drive is part of a nationwide campaign by the Red Cross to fill a U.S. Defense Dept. request for blood components for Viet Nam soldiers. College students so far have given more than 40,000 of the 58,000 pints collected to date.

Grand Old.....

(continued from page 1) many years regretted not having her degree.

On June 9, 1963, 23 years after her retirement, Valparaiso University awarded her a degree of Bachelor of Arts in absentia.

At one time in her teaching career, she left Lake County to teach in the lumber camps out west.

Miss Smith started her teaching career when most schools were one-room buildings, heated by wood-burning stoves. She shoveled snow, started the fire, and swept the floors in addition to her teaching duties.

Not all of her years were spent in teaching. For several years Miss Smith worked for the Congregational Missionary Board in Chicago, doing proof-reading and writing an occasional article.

Throughout her life, she was active in church work. During the years the family lived in Ivanhoe, she attended the Congregational Church.

She moved from Ivanhoe to Grayslake, where her sister, Theo, lived with her. At that time, she lived next door to the W. C. Petty family and Mrs. Petty became one of her closest friends. Miss Smith moved to Antioch about 30 years ago.

At one time she was principal of the Lake Villa Grade School. When she started teaching at Antioch High School in 1919, her first Latin class had four pupils. There were only about 70 in the entire high school at that time.

When she retired in 1940, hundreds of Antioch residents were among her former pupils.

Throughout her life in Antioch, Miss Smith was active in the Methodist Church. She rarely missed a meeting of the Women's Society of Christian Service or the prayer group, and taught in the Sunday School until she was 98, when her eyesight failed.

Miss Smith always seemed to have a beloved pet dog. During the years she lived in Grayslake, Mrs. Lily Petty remembered Miss Smith sternly addressing her pet collie, "Marshall Andrew Smith."

When her infirmities forced her to enter the Lake County Home on Nov. 17, 1965, one of her chief concerns was for her faithful canine companion, Celer (Latin for "lively").

Miss Smith did not retire to inactivity when she finally ended her formal career in teaching in 1940. She tutored

for many years, in addition to her Sunday School teaching. She worked in an Antioch factory for some time during World War II, partly so that she could be eligible for Social Security. She also returned to some teaching duties at Antioch High School for a couple of years during the war time, according to another friend of many years, Cornelia Roberts.

Miss Smith was honored most recently by her former pupils at the Golden Anniversary celebration at Antioch High School in 1965.

Funeral services for Miss Smith will be held at 1:30 p.m. Friday, April 15, at the Strang Funeral Home in Antioch. The Rev. Donald Cobb of the Antioch Methodist Church will officiate at the services. Burial will be in Ivanhoe Cemetery. Friends may call at the Strang Funeral Home after 2 p.m. Thursday.

It has been said that a play is only as good as its actors, and PM&L has been very proud of its actors. As time goes by, more and more people try out for the various plays. So with each new play several new faces appear along with the familiar ones. Many occupations are represented by the actors—from housewife to store clerk, from doctor to barber, from teacher to banker.

Steve Krötz is one of our newcomers in **On Borrowed Time** to be presented at the PM&L Theatre on April 22, 23, 29 and 30. Steve lives in Ingleside, is employed by The Advertiser, and has had considerable experience in amateur theatre. Before leaving for a four year stint in the service, he was in **Act Your Age** and **Blythe Spirit** with the Grant Summer Theatre. While in service in California he was in **Seven Year Itch** and **Goodbye, Charlie**. He has also tried his hand at directing with **Hot Full of Rain**, also in California. You will see him as Dr. Evans in **On Borrowed Time**.

Gary Richter made his first appearance with PM&L two years ago when he played in **Night Must Fall**. We're glad to have him back again in a major role, that of Mr. Brink (Death). Gary lives in Antioch and works at Teresi's.

You have seen Charlotte Worswick in **Music Man** and in the lead role of Barbara Allen in **Dark of the Moon**. Now she appears as strait-faced, trouble making Aunt Dementia. And now, to add another husband-wife team to PM&L, her husband, Bruce Worswick, is playing the part of Mr. Pubeam. Bruce is a teacher at Grass Lake School and they live in Fox Lake.

The young man who plays Pud is Jay Horton who is a freshman at ACHS and seems to have been bit by the acting bug. He appeared in **Music Man** as just one of the crowd, played Flibbertygibbet in the children's play, and is now one of the leads in **On Borrowed Time**.

Valerie Hunley, Granny, is housewife, mother of four, pony raiser, and a most important and active member of PM&L. The plays she and her husband Joe (Mr. Director) have been in or associated with are too numerous to be mentioned here. Right now, Joe is a radio announcer in Harvard, Illinois.

Bob Lindblad plays Gramps and has been associated with theatre in Antioch for years. Most recently he has been in **Send Me No Flowers** and **Little Mary Sunshine**. Bob and his family live in Antioch and he is employed by Abbate Ford in Fox Lake.

Carol Anderson, Marcia, had her debut in **Dark of the Moon**. She has two children and lives in Antioch. Arnold Schulmeister, Mr. Grimes, owns the Lake Area Barbershop. Since being Big Julie in **Guys and Dolls** he hasn't been able to keep away from the theatre for more than one or two shows in a row. He was in both **Thurber Carnival** and **Music Man**.

Don Beveroth is another actor who creates roles that one never forgets. He acted in **Thurber Carnival**, **Music Man**, **Dark of the Moon**, and directed the melodrama, **Gold in the Hills**. Now he plays the Sheriff. Don teaches English at ACHS and lives at Pad-dock Lake.

Two students in this production are Gary Strahan, a student at ACHS and Jerry Smouse, a fifth grader at Antioch Grade School. Both live in Antioch and have had roles in other productions. So make your reservations now by calling Vivian Mpalathorpe at 395-3613 and meet all these people as they make the characters in **On Borrowed Time** live for you. Curtain time is 8:30 p.m.

**Art Show Winners
Get Blue Ribbons**

Thirty-nine blue ribbons were awarded to the exhibitors in the eighth annual Town and Country Art Show held March 29 and 30 in the Farm Bureau building on the Lake County Fair grounds. There was a total of 487 entries in the show.

The twenty-five blue ribbon winners in the high school and adult division are eligible to show their entries in the district show which will be held this summer.

Two of the blue ribbon winners in the senior division are Mrs. Ellen McDowell, Antioch, with a watercolor of Culp Barn, Antioch, and Dr. James Kopriva with a watercolor entitled "The House with the White Door."

The Art Show was sponsored by the Cooperative Extension Service of the University of Illinois.

**Winner of PTA
Scholarship**
W. Carlson, District Director of the Lake County Council of PTA, has announced the winner of the Golden Jubilee Scholarship of \$1,000. Miss Ann Brinard of Beach Park, a student at Zion Benton High School, won the scholarship. First alternate is Lee Sisson, Belvidere, H. S. Second alternate is Dolores Jean Hanson, Antioch High School.

Don Johannes, chairman of the selection committee, expressed his gratitude to all superintendents and administrators who helped to make the contest a success and to the 56 students who participated.

BGA Picks Favorites For June Primary

Sequoits Lose No-Hit Game

The Antioch varsity baseball team split a pair of games last week when they lost to Grant high school 2-1, on a no-hitter pitched by Terry Taylor and then bounced back to beat Warren at home 4-0 behind the two-hit pitching of Wayne Channel.

"Taylor had control trouble in the early innings," Seemann said, "and we had men in scoring position in the first and second innings, but Mike Redden, Ron Stank and Lennie Clark just couldn't come up with the hit we needed."

"Even so, Grant had only one earned run. The other came on a passed ball by catcher Dick Petersen."

"Good pitching and some clutch hitting was the answer

against Warren," Seemann said. "Wayne Channel got in trouble early in the game with a walk and a hit but then settled down to strike out the next two men in order and retire the side. He had complete control of the game after that," Seemann added.

Mike Redden led the offensive charge for the Sequoits with a single and a 400 foot homer. Redden accounted for two RBIs. The other scoring came when Clark walked and stole second, advanced to third on a pass ball and then came home on a wild pitch. Greg Drijie walked after Rich Albano struck out, stole second and then scored on a double by Bob Hockmuth.

The Sequoits will meet Wauconda Friday.

Track Squad Still Strong

The Antioch track squad showed some of last year's championship form Thursday when they smothered Woodstock in a dual meet 78 to 40 on the losers' track.

The Sequoits showed that they will be a team to be reckoned with this year in spite of their losses through graduation. Antioch finished first in 10 of the 14 events.

Bill Ozga

Ozga Named To District Team

Bill Ozga, a graduate of Antioch High School, recently received Honorable Mention on the All District 14 basketball team in the State of Wisconsin.

Ozga is one of the big guns on the Stout State basketball team. Stout won the Wisconsin State University conference title this year with a 15-1 record.

Bill was captain of the team this year. In 23 games, he scored 320 points for an average of 13.9 points per game. He scored 64 points from the free throw line.

Bill is the son of Mr. and Mrs. Ted Ozga of Antioch.

The Allendale basketball team. Front, Kenny Jasper, Floyd Wesley. Middle row, left to right, Joe Rocco, Paul Comas, Joe Johnson, Kenny Dalicandro. Back row, Mr. Strong, coach, Charley Chapman, Terry Kopeck, Jeff Williams, Jerry Miller.

Tigers Top Cage Team

Allendale's Junior Basketball team won both the Spaulding Christmas tourna-

ment and the North Lake League Championship trophy. The Tigers, coached by Gary Strong, have an over-all record of 12 wins against 3 losses. The North Lakes conference championship was won with a record of 9 to 1. The victorious Tigers defeated the highly-rated Spaulding team 22 to 16 in the semi-finals of the Christmas tourney at Spaulding School. They went on to win over Beach Park in the finals, 27 to 17.

The Tigers were rated second from the bottom of the league when they entered last fall. They ended the season with the championship cup. Co-captains Paul Comas and Floyd Wesley were the Tigers' top scorers.

Speedway Opens Racing Season Saturday Night

With the coming of the baseball season, another sure sign of Spring is the opening of the Waukegan Speedway (this Saturday night, April 16, with a stock car racing doubleheader. This headliner program will feature both the ultra-fast modified and the exciting late model divisions.

The first race roars away at 8:30 p.m. with qualifications starting at 7:15. Saturday night doubleheader programs will continue through April, then on the first full weekend in May (7th and 8th), Waukegan will switch into its regular Saturday and Sunday night schedule.

Even without the co-operation of the weather, the quarter-mile clay racing oval is in readiness since many of the track improvements were completed last fall. Since weather is always a factor in any outdoor event of the nature, fans this season may inquire through the Waukegan Speedway "whether" line by dialing 662-8200.

Waukegan Speedway is the only northeastern Illinois track featuring the thrilling modifieds. These competition machines are fenderless by design, have large racing tires, exotic suspension and steering systems, and wild, colorful bodies, frames and exhausts that rival the best at any dragstrip. Most have high horsepower, high rpm, fuel injected, alcohol guzzling engines that set them far superior to any souped-up street version "hot rods."

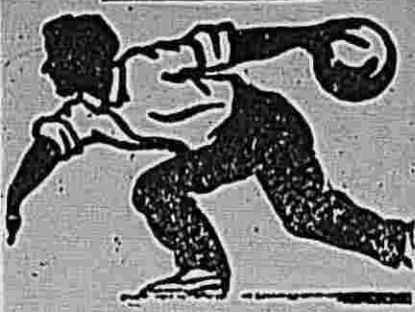

The chauffeurs of these expensive, often experimental, modifieds are mostly seasoned professionals. Some have over 15 years experience, racing five and six nights a week throughout the seasons. Again this year, Waukegan has the cream of the crop. Heading the list for the opener are John Reimer, Fuzzy Fassbender, Duane Harris, Jim Sullivan, Pedro Roehl,

Don Schuppel, Greg Krieger, Roger Otto, Gino Wagner and Jim Lawrence.

Almost every track has a "late model" division. Waukegan has gone one step beyond by adding a large number of flashy midget compact late models to their convertible and hardtop division.

Top names for the inaugural show include: Jim Cossman, Ray Dixon and Jack Ester in Chevy II's; Odell Jones piloting a Fairlane; Ken Becker wheeling a Chevelle; Jim Luther and Al Gutche driving Fords; Marty Martin with a Lark and Ralph Sinnen in a Buick.

Fields of over 60 racers are expected throughout April for the Waukegan doubleheader programs.

ANTIOCH TOWNSHIP Antioch, Illinois REPORT OF EXAMINATION Year Ending January 31, 1966 JEDELE and CAIN CERTIFIED PUBLIC ACCOUNTANTS Antioch, Illinois February 23, 1966

Mr. L. E. Murrie, Supervisor
Antioch Township
Antioch, Illinois

We have prepared from the books, as kept by our office, the attached statements of cash receipts and disbursements for the various funds of Antioch Township for the year ended January 31, 1966. In addition, we have examined, reconciled, and verified the receipts and disbursements of each fund. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records and such other auditing procedures as we considered necessary.

Cash receipts and disbursements statements included are:

- Schedule 1—Summary of funds
- Schedule 2—General Town Fund
- Schedule 3—Poor Fund
- Schedule 4—Road and Bridge Fund
- Schedule 5—Black Top Road Improvement Fund
- Schedule 6—Special Funds

All cash receipts were traced to the separate depositories and the various funds were reconciled to, and verified by, the books. Selected bills were examined and compared with checks and endorsements. However, since the Township's books have always been kept on a cash basis, the attached statements do not reflect any bills which may remain unpaid at January 31, 1966. We understand that these unpaid bills are only the same type which recur from month to month.

In our opinion, the accompanying statements present fairly the cash transactions of the various funds of ANTIOCH TOWNSHIP for the year ended January 31, 1966 on a cash basis consistent with that of the previous year.

Yours very truly,
JEDELE and CAIN
Certified Public Accountants

what is Coffee Mill Flavor?

It's fresh-ground flavor you can't get in a can.
Fresh-ground flavor you do get in A&P's whole-bean
Eight O'Clock, Red Circle and Bokar Coffees.

You see, once the coffee bean is ground,
the flavor begins to fade...
even when it's vacuum-packed.

That's why, when we at A&P
buy the finest coffees we can find,
we bring them to you still in the bean.
And we custom-grind them
exactly right for your coffeemaker...
right in your A&P.

Takes a little extra work, but we're happy to do it.
That way we can be sure you'll enjoy the full, fresh taste
of A&P's Coffee Mill Flavor.

Are A&P Coffees a good reason for shopping A&P?
They're one of many.
